Pairing Ideas

Cab Franc's lighter mouthfeel and herbal components make it a food pairing fantasy. This vintage is fit for a late lunch of Dried Cherry Glazed Duck or Salmon.

Tasting Notes

We are one of the few growing Cab Franc on Spring Mountain and pretty much the only winery bottling it as a varietal, albeit exclusive to our Club Members. Our 2016 Cabernet Franc has an elegant floral and stonefruit bouquet, delightful acidity, and noble gamey-ness with notes of cherry, plum, and blackberry brushed with leather and baking spices.
