

SCHWEIGER VINEYARDS

2023 ROSÉ OF MERLOT

WINEMAKER'S NOTES

Our Rosé of Merlot is a fun departure from our normal approach to Merlot, becoming a more playful and zesty expression of our terroir. By harvesting several days earlier than normal, we are able to create a lively wine with a lower alcohol, zingy acidity, and a completely different flavor and aromatic profile. Notes of cherry blossom, strawberry, rhubarb, and watermelon rind combine with refreshing acidity and lingering fruit on the finish. Enjoy this wine through 2026.

PAIRING IDEAS

Our 2023 Rose of Merlot is vibrant, crisp, and fruity making it a great pairing with most cuisines. Whether BBQ, Indian, or burgers are on the menu, they all will be complemented by this fun and unexpected twist on Schweiger Merlot.
