

SCHWEIGER VINEYARDS

2019

MONTAIRE® CABERNET SAUVIGNON

WINEMAKER'S NOTES

Intensely layered blackberry, bing cherry, and black currant with undertones of plum, cassis, and pomegranate on the nose. Silky entry crescendos into an intense midpalate with lingering tannin, acid and berry notes on the finish with notes of vanilla and baking spices.

PAIRING IDEAS

The tannin structure gives this wine the ability to age for decades or pair tonight with your favorite well marbled cut of red meat (sorry, not sorry vegans).
